ABOUT US

Construction Concepts is an award-winning commercial construction firm specializing in high-precision craftsmanship and advanced building techniques to create one-of-a-kind spaces across multiple industries. Working hand-in-hand with designers and architects, we deliver visual unity to the design and build process.

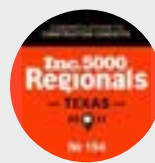

For over two decades, we have mastered the ability to bring complex designs to life with a thorough understanding of the process from concept to completion.

Our clients have peace of mind knowing that their investment is protected. Construction Concepts offers the most extensive warranty in the industry providing a two-year warranty on materials and labor.

TRUSTED PARTNER

We are more than a general contractor; we are a partner with our clients. We understand what it is like to invest everything you have in your business. We go into every project as if it were our own investment. Our goal is to understand your business and guide you through every step from concept to completion.

AWARDS

OUR ONE-ON-ONE APPROACH

As a full-service construction company, we work hand-in-hand with designers and architects to create a process that streamlines the often-fragmented design, engineering, and construction phases enabling you to save valuable time and money by having one point of contact throughout your project. Our one-on-one approach ensures that we understand your needs from the start enabling us to mitigate issues before they arise and advise you on each step of the process.

BUILDING COMMUNITY

WE DON'T WANT TO JUST BUILD BUILDINGS, WE WANT TO BUILD OPPORTUNITIES AND MAKE A DIFFERENCE. THAT'S WHAT BUILDS A GREAT CITY.

OUR TEAM

Construction Concepts focuses on the complete integration of the design and build process. Our expert team works seamlessly with architects, designers, and engineers throughout each phase of construction. With over 25 years of experience, our team is comprised of the industry's top professionals and craftsmen committed to upholding the highest safety standards and delivering uncompromising customer service.

DESIGN & ARCHITECTURE SERVICES

Every masterpiece begins with a vision. Our in-house conceptual design team breathes life into your ideas, shaping them into tangible concepts that set the tone for your project's journey.

Our expert designers meticulously curate each element, blending aesthetics and functionality to craft interiors that resonate with your project's brand.

From commercial workspaces to custom restaurants, tenant build-outs to bespoke ventures, we offer a spectrum of interior and design services that allows us to provide complete turn-key services from concept to completion. Our expertise and knowledge allows us to create a design and build plan that stays true to your vision.

OUR MISSION

Through our community outreach program, BLDiT - Building Lives and Dreams in Texas, we partner with local non-profits to support those organizations making a direct impact in our area. Our mission is to build value in our community by creating a strong foundation to improve the lives of others through charitable missions. We encourage you to learn more about how you can be a partner in future BLDiT events and programs.

**TOGETHER,
WE ARE
BUILDING
LIVES AND
DREAMS IN
TEXAS!**

CHARITY

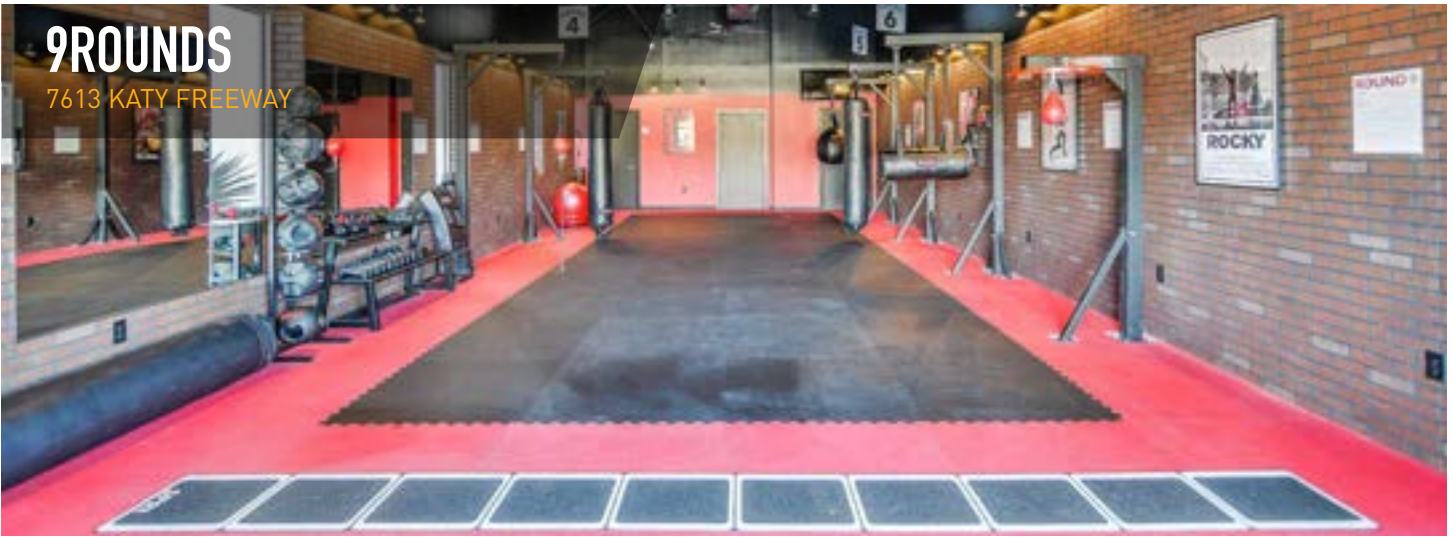

Construction Concepts is committed to building a better future for the communities where we live and work. BLDiT, Building Lives and Dreams in Texas, was established to foster a philanthropic relationship in the community and bring about meaningful change in the lives of others.

In partnership with local non-profit organizations, Construction Concepts hosts events throughout the year to support various programs to serve those in need. Additionally, the team volunteers regularly with these organizations and provides professional services for select construction projects.
